SBK Lettings
ELEVATING YOUR PROPERTY JOURNEY

Did you know we offer a deposit alternative?

SBK Lettings has partnered with flatfair to be able to offer landlords double the protection they get from a traditional five week deposit.

HERE ARE THE REASONS WHY OUR LANDLORDS LOVE A DEPOSIT ALTERNATIVE:

- Quicker lets, fewer voids - properties let faster and attract more quality tenants.
- Market leading protection - you get up to 10 weeks' protection for free – that's right, there is no charge to landlords.
- Speedy charge recovery - if there are any damages or unpaid rent, it is back in your pocket within 10 days of charges being agreed.
- Top notch support - the flatfair customer success team is on hand for any questions and will support you whenever you need it.

In addition, tenants can wave goodbye to costly deposits and secure their new home with a small check-in fee. You can rest easy knowing you're getting up to 10 weeks' protection and speedy return on any costs.

"SBK Lettings are delighted to be working with flatfair, offering a deposit alternative to our valued landlords and tenants across all locations. We are always keen to improve our services and offerings to our landlords to ensure they are protected in every possible way."
